

UNLIMITED WASH CLUB AGREEMENT

Unlimited washes for one low monthly price!

Keep your car looking its best & save money on your washes by choosing one of our Unlimited Club Membership options. Preventing rust, corrosion, dirt, bug & mag-chloride build-up is the best way to keep your car looking great for years to come!

How it Works:

Once you are a member of our Unlimited Wash Club, we will attach an RFID Tag (Radio Frequency Identification) to your vehicle's windshield behind the mirror (small bar code sticker). Each time you pull up to our pay station, an electronic eye will read the RFID tag & the gate arm will automatically open allowing the you to enter the car wash without even rolling down your window!

Pull into the entrance of the car wash and our computer will automatically dispense the type of wash that corresponds with the package you purchased.

Members may upgrade to a higher wash and add Interior Detailing upon request & can simply pay the difference at the time of wash.
